

NEW ULTIMATE COMFORT

jalas® TIO 2068

Three In One sole. Tri-panel BOA

A soft and water repellent safety shoe with high-quality protection. Ultimate softness and comfort thanks to the soft and stable TIO (Three In One) sole that prevents long term injuries to the feet and back. The Tri-Panel BOA® Fit System enables a soft and perfect fit for individually shaped feet. The shoe has an aluminium toe cap and soft textile nail-penetration insert. The new Three in One sole technology is developed by Jalas.

Protecting Hands and Feet

Ejendals is a Swedish heritage brand, established in 1949 by Valfrid Ejendal in Leksand. We specialize in the development, manufacturing, and promotion of premium-quality safety products designed to safeguard both hands and feet.

Our profound understanding of safety is woven into products that contribute to creating a safer everyday life in tens of thousands of workplaces worldwide. We envision the future as one of cultivated innovation and respect—for our customers, partners, employees, and the planet.

Vision

Zero injuries to hands and feet, for the benefit of the employee, the company and society.

Mission

We deliver protection, comfort and profitable solutions to our customers.

We maintain a long-term commitment to product innovation and sustainability to offer the best hand and foot protection on the market.
